

Minerals boy! 2nd  
If we did not have minerals  
there would not be cars, weap-  
ons, electronics! D you know  
if there was no minerals  
there would not be that  
much every day things.

Do You want to learn about trees?

~~Do You now that we can't live  
without trees we can't live  
without the sun~~

Do You like trees?

Do You now that we can't  
survive if we do not have trees!

Water

Hey readers, did you know without water ☐

we wouldn't have survived?

Did you know water covers  $\frac{3}{4}$  of earth? ☒

Water can help us in many different ways. ☐

Sarah

DID you know Without the sun  
it would be so dark we  
couldnt see a thing?

DID you know the sun  
has powerfull flares that  
are exsposureve?

DID you know the sun is  
almost 5000 digrese?

What a SUN H H H
